

Dragi petarji ☺

Se me še kaj spomnite? ;) Upam, da ste vsi dobro, da ste se navadili na spremenjeno stanje in da uspešno uporabljate vso novo orodje, ki je potrebno za vaše šolsko delo. Prosim, da se vsake toliko pridno javite (mail, spletna učilnica) in ne pozabite na svoje obveznosti daleč stran od šolskih klopi. Natančno berite moja navodila, jih upoštevajte in pridno ter sproti pregledujte spletno učilnico. Če imate kakršnekoli težave, pa veste, da se vedno lahko obrnete name.

Sedaj pa nadaljujmo z delom ☺

Delovni list (worksheet) mi boste oddali v spletni učilnici – torej prenesite si wordow dokument iz spletne učilnice na računalnik, ga shranite na namizje, rešite na računalniku in ga na koncu shranite kot PDF dokument (edino tako ga lahko popravim v svojem programu). Nato pa ga naložite nazaj v spletno učilnico.

V učbeniku pa boste spoznali nekaj novih besed na temo vozila in jih utrjevali s pomočjo CDja, ki ga najdete na zadnji platnici učbenika.

→ **učb. str. 82**

nal. 1: V zvezek napiši naslov **OFF WE GO! (Pa pojdimo!) – VEHICLES (vozila)**

Prepiši besede, ki predstavljajo vozila in jih prevedi.

Zaženi CD, ki ga najdeš v učbeniku, pritisni številko 7 OFF WE GO in izberi prvo nalogo – spinning. Poslušaj besedo, jo ponovi na glas in nato klikni na ustrezno sličico.

Nato se loti druge naloge – catching clouds. Preberani stavek poveži z ustrezno sličico. Stavek še sam preberi na glas.

Na koncu se loti še četrte naloge – popping balloons. Igrico igraš tako, da s tipkama 'levo' in 'desno' na tipkovnici pomikaš puščico, s tipko 'presledek' pa izstreliš puščico. In na ta način zлагаš besede na ustrezno mesto, da sestaviš smiselen stavek.

Dear Jenny!

How are you? I'm fine. The weather is nice and sunny here in Slovenia. But I'm at home all the time – we aren't at school this month because of the coronavirus. What about you? I have my birthday on 20th April and I'm very sad, because I can't have my birthday party and invite all of my friends to my house. I will have to celebrate only with my family. I wish you could come! My mum will make a chocolate cake for me and my dad will play his guitar for me. And Tom and I will play football in our garden. Well, I hope you can join me next year at my birthday party. Hey, when is your birthday?

Write to me soon,

Mia
